in All Policies

Subject: New chairperson of the Global Network for Health in All Policies

Dear Madam or Sir,

I am pleased to announce that beginning in October 2019 I assumed the role of Chairperson of the Global Network for Health in All Policies (the Network). I would like to acknowledge the work accomplished by my predecessor, Mr. Bahr Idriss Abu Garda, the Minister of Health for Sudan, who has ensured the continuity of the Network for the last few years. It is now my turn to contribute to the consolidation of a dynamic and united Network.

To assist with my duties as chairperson, a secretariat has been established at the National Collaborating Centre for Healthy Public Policy (NCCHPP). The role of the secretariat will be to ensure communication among members by means of the Network's website or through web conferences. The secretariat will inform you of upcoming international activities and keep you abreast of the Network's latest news. You can contact us at the following address: [GNHiAP@inspq.qc.ca](mailto:GNHiAP@inspq.qc.ca).

I would also like to take this opportunity to propose that members consult the following links:
