

HiAPs (Health in All Policies)

Dr Weerasak Putthasri , Deputy Secretary-General National Health Commission Office (NHCO), Thailand

Present at the webinar on Health in All Policies in times of COVID-19 : What role for the health sector moving forwards? (October 29,2020)

HiAPs (Health in All Policies)

- intersectoral work for public policies, taking account of health concerns and **across sectors** in decision making process
- combination of good governance; development of strong and sound partnerships on **co-design, co-delivery and co-benefits; evidence & evaluation**
- key principles: **ways of thinking, ways of working, and participation & governance**

- high level global commitment
- inter-sectoral domains and interrelated targets
- common framework for inter-sectoral actions and involvement
