

A Journey of HiAP in Indonesia

1999

HiAP Initiative :
Pres. BJ Habibie
launching HiAP
concept

2000-2005

New Paradigm
of Nat Health
Dev

2005-2010

HiAP
Movement

2010-2015

HiAP
focus on
Tobacco
Control

2015-2019

Improving
HP & CE,
and
increasing
budget for
promotive
preventive
activities

1999

- HiAP Initiative : Pres. BJ Habibie was launching HiAP concept : Every development needs to consider health aspect & impact as well.

2000-2005

- New Paradigm of Nat Health Dev.: Further action of HiAP Initiative produced MoH Decree No. 1107/2000. To shift a top down approach to become a bottom up approach (policy & program), Intersector Health Dev.

2005-2010

- HiAP Movement : have 3 pillars: Healthy behaviour, Healthy environment and Access to Qalified Health Services. Output: many policies produced in this era (Min. Woman Empowerment, Min Man Power, Min. Law & Human Right, Min. Soc Welfare, Min Foreign Aff, etc) → Law, Gov Reg, & Min Reg

2010-2015

- HiAP focus on Tobacco Control, 50% of Tobacco tax for supporting Public health program at provincial & district level (preventive & promotive activities) Min Finance 102/2015

2015-2019

- Improving HP & CE, and increasing budget for promotive preventive activities. Nat Strat Plan MoH 2015-2019-MoH Decree No.02.02/2015
- To be explain in detail s on country profile presentation
